3 Bed Country Villa

This single storey three bedroom villa is located in a quiet area, with easy access to all facilities, and includes multiple annexes, plus an option to purchase a plot of 1.176 m².

Whilst the house is in need of some updating, there are a lot of original features that can be retained, and the layout would not need to be altered. The three annexes allow you to create a studio, home office or guest accommodation, and there is ample outdoor space. An ideal renovation project for someone looking to create a home to their own tastes, without the necessity (and delay) of submitting a project to the council.
