Spacious 4+1 bed villa with sea views - Sta. Barbara de Nexe

Once you enter the house, it is clear that all of the internal areas are ample, and create an unusual but charming feel. The primary part of the villa has a large open plan lounge/diner with views to the pool and the South, two bedrooms (one with a sauna in the ensuite) and an office.

The first annex has a beautifully proportioned lounge as it's focal point, plus a bedroom and bathroom. The second part has a very unusual reception room/lounge as it's main feature, kitchen, bedrooms and bathroom. Extensive renovations were carried out in 2019 to upgrade double glazing, air conditioning, bathrooms, second kitchen and general garden landscaping.

All parts of the house are linked internally, so the property can be used as a large family home, a bed and breakfast or home for multiple families. Located within a large plot, with good quality houses in the surrounding area just outside the village of Santa Barbara de Nexe, and with views to the coast
