This property has so many different features and facilities it really has to be seen and explored to be believed.

The large pool is set in the grounds within easy access of all the living accommodation, surrounded by lawns on all sides and is completely private. For the more active a full size tennis court has been built within the plot.

Amazingly this property is on the edge of the popular resort of Vilamoura, so you have over a hectare of land, many different types of spacious accommodation and privacy, all within a few minutes of the beach, marina, nightlife and restaurants in Vilamoura. A spectacular mini-estate, perfect for those wanting privacy, quiet and a rural lifestyle whilst being close to civilisation.
